

Chase Darlington Soccer

Chase “The Wall” Darlington started out running Track & Field for Special Olympics in 2009. Since then, Chase has participated in speed skating, skiing and basketball, but his true loves are soccer and softball.

He is an exemplary employee at Home Depot as a member of the Lumber Yard team. Chase has a great sense of humor and in addition to playing sports he loves listening to music, going to concerts and being scared at haunted houses.

Through Special Olympics, Chase has met many friends, including his best friend, and is thankful for the opportunity to socialize and exercise.
