

Marko Hubbell

Soccer

Marko Hubbell started participating in Special Olympics 12 years ago in Pittsburgh but recently moved to the Philadelphia area. In addition to soccer, he competes in basketball, bowling, flag football and skating. Marko's maturity, confidence and compassion stand out and he's very coachable.

When Marko isn't competing, he works at Target and was named employee of the month in June 2017. In his spare time, he enjoys watching videos on his huge iPad and listening to rap. He also loves to visit Penn State with his dad and shop with his mom. Of course, dining out is a favorite of his too.

IN HIS WORDS

“ I'd love to attend every USA Games if I could. I got to attend the 2014 Games and had so much fun. I can't wait to compete again at the highest level. ”
