

Douglas Jacobs

Bocce

Douglas Jacobs is a former Pike County District Attorney who – along with his wife of 39 years, Sue Ann – began volunteering his time with Special Olympics 12 years ago. He’s coached his son Nathan in multiple sports and participated as a Unified Partner in bocce and golf. A proud grandfather of two (with another on the way), Douglas is a private practice attorney and likes to hunt, ski and travel in his free time.

Douglas enjoys watching the Pittsburgh Steelers and New York Mets with Nathan when they’re not competing. He feels that seeing the confidence that Nathan and other athletes have developed is extremely heart warming and emotional.
