

Nathan Jacobs

Bocce

Nathan Jacobs began skiing with Special Olympics when he was 12-years-old. From there, he started playing many other sports – including aquatics, basketball, bowling and golf – always with a positive attitude.

He'll be traveling to the USA Games with his father, Douglas, who is a Unified Partner on the bocce team. An Eagle Scout, Nathan works at Clarion Safety Systems and his father is an attorney. Nathan loves his dog, Mickey, a Goldendoodle, and is an avid baseball fan. He loves watching the New York Mets, Pittsburgh Steelers and New York Giants. He also enjoys volunteering as a greeter at his local church.
