

Matthew Mausner

Basketball

Matthew Mausner joined Special Olympics when he was 5-years-old and continued to participate over the years. After taking a break in his late 20s-early 30s, Matt rejoined in 2017, just in time to win a state title with his basketball team. He's proud to be a member of the first basketball team from Area M to be traveling to the USA Games.

Matt also won a state championship in bowling in 2002 and has worked at Cracker Barrel for 20 years.

In his free time, Matt enjoys shopping, playing video games and watching movies.
