Basketball

Christopher Nichols is a 29-year-old basketball player from Pennsylvania's Cumberland County. When he's not on the hardwood, he spends his time making things out of wood. He's a fastidious repairman and enjoys building things like shelves as well.

In his free time, Christopher plays football and video games. He's thankful for the opportunity to participate in Special Olympics because it gives him the chance to play the sport he loves to the best of his ability and to make lifelong friends.

IN HIS WORDS

“ It means a lot because we worked hard.
I look forward to doing new things and meeting new people. ”
