

Elizabeth Porter

Swimming

Elizabeth “The Fabulous Flyer” Porter joined Special Olympics Pennsylvania in 2004 and immediately fell in love with swimming, especially the 100M butterfly. She’s constantly working to improve her fly stroke, as well as the long distance freestyle. Elizabeth works as a teacher’s assistant at a local preschool and child care center (Moppets on Mulberry) and in her free time takes a Zumba class with friends. For the past two years, she completed a 1.2-mile swim in an effort to raise money for hospice care. She is a Global Messenger and a Health & Fitness Coordinator and holds a degree from Career Independent Living and Learning Studies at East Stroudsburg University.

IN HER WORDS
