

JoAnn Ranck

Bowling

JoAnn “Joey” Ranck is a standout bowler for Special Olympics Pennsylvania, but also plays basketball, bocce, floor hockey, horseback riding and soccer. She knows that no matter how hard life or sports get that she will never give up.

In her free time, Joey volunteers at her church and at local animal shelters. She loves art and enjoys movies, playing video games, Pokemon, Master Magi and The Walking Dead. She’s thankful for the opportunity Special Olympics has given her to have a good time with friends and learn to stick up for one another.
