

Kristine Stout Soccer

Kristine Stout joined Special Olympics in 2004 and quickly became a soccer star. She also participates in skiing and track & field, but is no stranger to the big stage. She competed in the 2006 National Games (Iowa) and 2010 National Games (Nebraska) and is eagerly anticipating her trip to Seattle.

When Kristine isn't on the pitch, she enjoys reading, watching television, going shopping and taking care of animals.
