## WESTERN PA TECHNOLOGY COMPANY DONATES LICENSES FOR TWO NEW APPS TO SPECIAL OLYMPICS PA

*ATS Inc. raises the bar of social responsibility by supporting opportunities, inclusion & acceptance through technology*

**NORRISTOWN, PA (May 26, 2017)** – ATS Evolution Company, a subsidiary of Applied Training Solutions, LLC (ATS), today announced the launch of a second mobile application license donated to Special Olympics Pennsylvania (SOPA). The recently released app, made available on the Apple iTunes App Store and the Android Google Play Store, grants users access to critical current information about their upcoming SOPA Summer Games competition.

The SOPA Summer Games, taking place June 1-3 on Penn State University's Campus in State College, PA, hosts over 2,000 athletes and coaches. The donated app license will provide much needed updates to athletes, coaches, families, volunteers, and staff throughout the competition weekend. The app also offers emergency procedure information and Push Notifications in the event of venue changes and weather emergencies.

### **SOPA SUMMER GAMES APP FEATURES:**

- Schedules
- Weather and Maps
- Directions to First Aid Stations
- Evacuation Procedures, Routes and Venue Assembly Points
- Driving Directions to Designated Hospitals
- Contact Information
- Local Area Emergency Numbers

The donation of the Summer Games app license is just one demonstration of ATS corporate social responsibility. Earlier this year ATS donated a mobile app license for the SOPA Winter Games, held in Seven Springs, PA. Additionally, ATS employees have offered countless numbers of volunteer hours in numerous capacities for Special Olympics PA competitions year-round.

"We are extremely proud of the efforts made by our employees, including their volunteered time and unique contributions, to such an important and worthwhile organization like the Special Olympics," said Mike Suman, Vice-President and Chief Technology Officer of ATS.

For more information about ATS and their partnership with Special Olympics PA, please contact Mike Suman, Applied Training Solutions, at 724-202-1680, [msuman@appliedtrg.com](mailto:msuman@appliedtrg.com).
