### **NEW FOR 2024**

HOUSING - All delegations will be housed in East Halls this year. Please take the time to become familiar with the layout of these areas.

DINING - Delegations will eat at Findlay Dining Commons. We request that you get your food, eat and then leave. Please do not "hang out" in the dinning area. We need to get as many people through the lines. If you are just sitting that holds up the service. You may choose to get your food to go in a "to-go container" and eat with your friends and delegations either at tables in the cafe on the first floor or outside.

#### <u>Parking:</u>

You are permitted to park in any NUMBERED parking lot around East Halls and South Halls. Lot 81 or lot 82. Overflow parking for East halls is the East Parking Deck. Do NOT park on a street or in a parking lot that starts with a letter. Also, pull offs along Park Avenue Road (East Halls) are reserved for buses. If you park in any of these spots you will be ticked and/or towed. No matter where you park, we recommend that you place a sign in your window with your name and contact information in case you have to be moved for any reason.

#### Parking for Special Olympics staying in the Campus Residence Halls

Parking is available at no charge in the following lots, no permit required except at East Deck. (If you park at East Deck come to SOS desk at 124 Johnston Commons for a pass before you depart the deck):

-East Deck (need pass to exit) -Lot 43 -Stadium West -Jordan East -Porter North -Orange A Ag Arena

Lot 82 – Section along Park Avenue only

#### DELEGATION ARRIVAL - Thursday, June 6, 2024 9:00 am - 12:00 pm - East Halls

When delegations arrive, the buses **MUST** check-in at the bus staging area on the east side of Beaver Stadium on Porter Road. The lot name is Porter North. This allows us to ensure that there is available space to park near your dorm, that volunteer assistance is available for you, to provide you with directions and a bus tag with your designated drop-off location, and to check off that your delegation has arrived.

The bus staging area is located on the east side of Beaver Stadium on Porter Road when headed south from Park Avenue, and on the south side of Beaver Stadium on Curtin road headed west. When arriving, please approach Beaver Stadium on Park Avenue. Turn onto Porter Road located on the east side of Beaver Stadium. On Porter Road, near the Stadium, there will be signs for Bus Arrival and a group of Arrival Volunteers in bright orange shirts to direct you to temporary parking and to provide you with further directions. **Please ensure that the bus driver knows the name of your delegation**, not just the area or city, so that we can provide you with accurate directions to your dorm and associated bus stop.

Volunteers are located both at the bus staging area and at the dorm bus stops. They are in radio communication to coordinate bus unloading to keep this running efficiently and safely. Once a drop-off spot is available near your dorm complex, the volunteer will provide you with directions to your designated bus stop. You will be assigned a drop off location at East Halls shown in the arrival map below. Directions to East Halls will be provided at Porter North lot to your driver once they are cleared to approach East Hall Dorms for unloading.

When approved by the staging area volunteer, please proceed directly from the staging area to the designated drop off area using the route below.

• Buses will stage at Porter North lot upon arrival and then be dispatched to the dorms. Buses will leave Porter North and drive down Park Ave directly to our designated bus unloading area behind East Halls.

At the drop off spot, you will be greeted by additional Arrival Volunteers to help coordinate your unloading and to provide directions to your dorm. General Volunteers will also be available at each drop off spot to assist the delegations with moving luggage into the housing facilities. Please unload your buses and luggage, and move to your dorms as quickly as possible to make room for buses from other delegations.

### <u>Arrival Maps</u>

#### DELEGATION DEPARTURE - Saturday, June 8, 2024

Key Return – 4:00 pm to 8:00 pm Horse Departure – 4:00 pm to 8:00 pm Delegation Departure – 5:30 pm to 8:00 pm

Each Program's Head of Delegation should prepare to check out between 4:00 pm and 8:00 pm. **The HOD must return any loaner key to the Findlay Commons Desk located in East Halls.** 

- Conference Card (Digital room key), card holder, & lanyards do not need to be returned to East Commons Desk, they are for everyone to keep
- Delegations will be charged \$20.00 for any lost Conference Card

As many of you have experienced, bus departure can be very hectic. We understand that everyone is excited to get home, and that many of you have long trips. Please follow these instructions to help us to ensure that your departure flows as quickly and safely as possible.

Bus departure follows the same process as arrival with the exception that bus staging occurs in the parking lot of Medlar Field as shown on the map. When buses arrive, they **MUST** check-in at the bus staging area at Medlar Field. Departure will be done on a rolling basis. If any buses arrive at the pick up locations near the dorms prior to the start of departure, or are without authorization, they will be directed back to the departure staging area and placed at the end of the line.

The bus Departure Staging Area is located in Medlar Field Parking Lot (Porter North is the name of the lot) across the street from the Arrival Staging area to allow more room for buses to wait until the delegations are ready to depart. The general directions to the bus departure staging are the same as arrival. When arriving, please approach Beaver Stadium / Medlar Field along Park Avenue. Turn onto Porter Road located on the east side of Beaver Stadium. On Porter Road, near the Stadium, there will be signs for Bus Arrival and Departure and a group of Arrival Volunteers in bright orange shirts to direct the bus to turn left off of Porter road into the Medlar Field Parking Lot and the bus staging area . **Please ensure that the bus driver knows the name of your delegation**, not just the area or city, so that we direct them to the correct staging area associated with your bus stop. In the past many bus drivers did not know the name of their delegations; this significantly delays your departure.

Your departure bus stop is the same as your arrival bus stop. Once your delegation is packed and ready to depart, have them remain in the dorms, or at an outdoor location away from the bus loading locations to avoid congestion. Once they are ready, have a delegation representative notify a departure volunteer in an Orange Shirt at your bus stop, and then have the delegation representative wait at the bus stop there so that we can notify him/her that your bus is ready to be sent to the loading area. **Please do not bring your delegation or their luggage down to the bus departure loading area until you receive authorization from the departure volunteer at the bus loading area.** 

Once a pick-up spot is available near your dorm, and your delegation representative has reported to the Volunteer at the bus stop that your delegation is packed and ready to depart your dorms, the bus driver will be notified that he/she may proceed to the designated bus stop. The Bus stop volunteer will also notify the delegation representative that your delegation should come to the bus stop.

When the buses arrive at the departure pick-up spot, please load your buses as fast as possible to make room for buses from other delegations. General Volunteers will also be available to assist the delegations with loading luggage and helping the delegations.

If requested your Sheetz meals and cases of water will be preloaded on your bus prior to leaving. Please make sure you review and validate your counts and preferred method of receiving the meals for your group.

Have a safe trip home!

#### **Residence Halls:**

- All bed linens are to remain in the assigned room. Any lost linens will be billed to the area/county occupying the room.
- Please close the windows, turn out the lights and lock the door.
- Remember to take your pillow home with you!

All Special Olympics Pennsylvania programs will register athletes with SOPA (on a local or state-level) competition according to the procedures governing any particular event. If anyone is not pre-registered at any given event and it is brought to the attention of a volunteer or staff member, the following will take place:

- **A.** The coach will be directed to stop the activity until arrangements for home transportation are finalized. This transportation will be the responsibility of the program in violation.
- **B.** After a complete review and verification of the circumstances by the manager of the home program, the event liaison and the president of SOPA, and it is determined that the coach/volunteer did in fact cause the deception intentionally, he/she will be removed from our volunteer listing for no less than one year.

### **Coaches' Role for Training & Competition**

All coaches must have one role during training or, in particular, during competitions. This means that sport directors, heads of delegation, officials or games management team members may not be registered as coaches at competitions within the 1 coach to 4 athletes' ratio. Coaches, athletes and Unified Sports® partners may not chaperone family members during competition.

### **Head of Delegation Meetings**

The Summer Games Committee is attempting to provide as much information in advance as possible. However, it is important that we schedule these meetings in order to update materials and schedules affecting the welfare of the athletes. These meetings are separate from the Head Coach meetings. Head of Delegation meetings are meant to deal with all non-competition concerns. Sport-specific questions should be addressed at the Head Coach meetings.

## COMPETITION General Rules

The rules for the National Governing Body of each sport and the Official Special Olympics Summer Sports Rules (found on the Special Olympics Website at www.specialolympics.org) will be followed throughout the event. Where there is conflict between the two sets of rules, the Official Special Olympics Summer Sports Rules will be followed.

Only registered athletes shall be eligible to participate in the Games. Decisions about ineligibility due to improper registration shall be reviewed by the Games Committee.

Athletes must be at least eight years of age as of May 30, 2024, to be eligible for competition.

For competition, athletes will be grouped in accordance with Special Olympics rules for equalizing divisions.

Coaches will not be allowed access to the staging area and are not permitted in the competition area. However, coaches may be allowed to assist hearing or visually impaired athletes during time trials and competition, when appropriate. In instances where assistance is required, the Head coach must request the exemption from the Sports Rules Committee at the Head coaches meeting. The request must fully explain the circumstances which mandate the on-course assistance.

Events that hold preliminary competition, classification rounds or time trials are required competition for all athletes. Failure to compete in preliminary events will result in the disqualification of athlete(s) from that event or competition.

In case an athlete is too ill to participate in time trials or preliminaries, an exception may be granted by the Games Committee or Sports Rules Committee prior to the event.

Staging areas will be clearly designated at each event. A three-call system for staging will be used with final call at time of event.

#### APPROPRIATE ATTIRE

Athletes arriving at the venue dressed inappropriately will be unable to compete until appropriately dressed. Denim pants/shorts are not appropriate attire unless mandated by the official sport rules (Ex. Equestrian Western Trail). Please see the directions section of this handbook for local stores.

#### AWARDS

Please check each sport for award times. Please note the following:

- Athletes are to be dressed in competition attire for awards.
- Athletes who start competition and do not finish receive a participation ribbon.
- Athletes disqualified due to the Maximum Effort Rule (MER) will receive a participation ribbon.
- Athletes who do not compete or are disgualified due to misconduct will not receive an award.
- If a tie occurs, the two teams/individuals will receive the same placement and the next team/individual will receive the following placement. Example: If two teams tie for first place, these two teams receive gold medals, and the next placed team receives a bronze medal.

#### **COACHES SPORT CERTIFICATION AND UNIFIED SPORTS PARTNERS**

- One coach from <u>each sport</u> must be certified. If the program cannot provide at least one certified coach, that delegation will need to scratch that specific sport.
- If the certified coach scratches prior to departure the team may not attend Summer Games.
- If your Unified Sports™ Softball team, unified relays or bowling doubles and teams drop below the minimum number of partners this team may not attend Summer Games. PLEASE check these numbers before departing for the Games.
  - a. Softball minimum is 6 partners per team
  - b. Relays Athletics & Swimming 2 partners per team
- Any team without a certified coach or the appropriate number of unified partners will be sent home from Summer Games. The delegation will be responsible for the transportation home.

#### **COMPETITION SCHEDULE CHANGES**

Any changes to the competition schedule will be announced no later than each morning of competition at the Head of Delegation meeting (and possibly announced at the Head coaches' meeting) and posted at each venue and in Pollock Commons. It is important that each delegation has a representative at these meetings and that the representative communicates changes to the appropriate coaches.

#### **MAXIMUM EFFORT RULE (MER)**

The Maximum Effort Rule (MER) is in effect. Athletes, partners and coaches, who do not participate honestly and with maximum effort in all events, or in a nonsportsman-like manner, will be disqualified from current and possibly future events. Any athlete or partner disqualified for the MER will receive a participation ribbon.

- Team Sports (basketball 3x3 & 5v5 and softball) -The divisioning committee or sports rules committee reserves the right to change a team's division during final competition (this will take place during the 1st or 2nd game in pool play).
- Timed/Measured Individual Sports (swimming, athletics and golf) Athletes racing/scoring faster/better than the MER limit in their best time/score (either prelim or entry score) will receive a participation award. The MER limit is 25% for athletics, swimming fundamental events, relays, and 25 yd. freestyle, 15% for all other swimming events.
  - This includes athletics field events and swimming fundamental events.
  - It does not include individual skills in team sports.
  - When swimming or athletics events do not have preliminary competition, entry times will be used. **Updated scores and times will be accepted until Thursday May 30 at 11:59pm.**
  - Golf athletes will be disqualified for the MER if their 9-hole score is 25% better than the average of their six-game submitted scores for one day events or if, during a two-day event the first round (preliminaries) is rained out.

#### **PROTESTS**

Protests may be filed by a Special Olympics certified head coach only. Any other person attempting to file a protest will be immediately rejected. The head coach must file the protest within 30 minutes after the completion of the protested event. Protests may only be filed for the following reasons:

- Misinterpretation of a playing rule.
- Failure of a referee or judge to apply a penalty for a given violation. For example, a basketball referee awards the ball to the wrong team after a free throw shot.
- Judgment calls by a judge or official will not be considered. For example, a softball umpire calls a player out after a close play.

All protest forms must be submitted to the scorer/announcer table at the venue or to the venue coordinator. The sports rules committee will then rule on the protest. The head coach filing the protest will be notified of the decision.

#### **GAMES RULES COMMITTEE**

A certified Head coach may appeal a denied protest. The following individuals will act as the deciding body to rule on the final decision:

### Forfeits

Any head coach who elects to forfeit a game or individual race must seek the approval of the sports rules committee. If approved, the team will take a loss for that game or race. If denied, the team must play the opposing team or be disqualified from the tournament. If a tournament tie occurs, all competition from the disqualified team will be disregarded from the final standings. The following points would be awarded to the opponent of the forfeiting team.

Any problems relating to a given athlete during the sports activities will be addressed to the head coach.

### The Sheetz Family Award of Excellence

The Sheetz Family Award of Excellence was created to capture the great sporting moments that distinguish our athletes for the Summer Games. The award recognizes the athlete whose determination and effort can only be understood by the power of the human spirit to overcome obstacles and inspire greatness. #### <u>RULES</u>

- Softball competition will be conducted according to the Official Special Olympics Summer Sports Rules (found on the Special Olympics Web site at www.specialolympics.org), and the Amateur Softball Association (ASA) Rules.
- A 0.44 polycore official softball will be used for all competition.
- For safety reasons, teams that drop below 12 athletes prior to the event will be scratched.
- We will be using a double first base. Please review this with your athletes. This new double base is white on one side and orange on the other. This base is designed for the safety of the first baseman's ankle. The first baseman uses the white base to await the throw of the ball and the batter runs through the orange portion of the base. We will also be using a double home plate. Please note the differences to your athletes.
- All batters and base runners must wear a batter's helmet with chin strap.
- Schedules for preliminary games will be available at the athlete registration area. Preliminary games will last no longer than 30 minutes each.
- Teams and athletes (as in any tournament) are expected to bring their own equipment (bat, gloves, balls for warming-up, batting helmets, etc).

- A 1-1/2 hour time limit per game will also be enforced.
- Teams will be divisioned according to a team score compiled by team skills assessment scores. Each team will be required to start all of the players whose team skills assessment scores were submitted to comprise the team score at their proper field position.
- Teams that are 10 minutes late from the scheduled start time will forfeit that game.
- Traditional softball teams must have 10 players or 11 (EP) to participate in competition. Unified Softball Teams must have a minimum of 12 (6 athletes and 6 partners) athletes to participate in competition. If any team arrives with fewer than the minimum number or cannot start a game with the minimum players they will be disqualified from competition and may be sent home from the Games.

## **Emergency Procedures**

In case of an EMERGENCY

- Follow the steps below...
- 1. Survey the situation
- 2. Contact the proper authorities or emergency personnel (Ex. 911)
- 3. Assure the safety of those around
- 4. Notify program manager or SOPA contact based on the level of emergency
- 5. Institute Internal Rumor Controls
- 6. Complete an Incident Report Form

\*If the situation has the potential to damage SOPA's reputation, you must contact the state office's Crisis Communications Coordinator at 855-701-9030, who will serve as the single designated spokesperson for media inquiries.

### WHAT IS AN EMERGENCY?

**Level 1 Emergency:** is a localized emergency, minor incident (Ex. Delayed Event, Injured Participant not requiring hospitalization.)

**Level 2 Emergency:** is a moderate to serious emergency, incident, accident or situation (Ex. Missing Coach/Athlete Canceled Event, Behavioral Crisis.)

**Level 3 Emergency**: is a critical incident affecting beyond the immediate area, where extensive aid assistance is required (Ex. Fire, Bomb Threat, Fatal Accident, Contagious Health Threat, Criminal Activity.)

NOTE: Some Level 2 and ALL Level 3 Emergencies Require Notifying The State Office! If in doubt, contact the Crisis Communications Coordinator.

### **Important Phone Numbers**

In case of an emergency, coaches are to contact Safety & Security (SOS). If you are unsure whether to notify SOS, err on the safe side and contact SOS. If unable to reach SOS, call 911. This will alert the campus police to respond.

Fire, Ambulance, Police	911
Findlay Commons Desk	(814)-865-0464
South/Redifer Commons Desk	(814)-865-5263
Mount Nittany Medical Center	(814) 231-7000
PSU Police - Non-Emergency	(814) 863-1111
SOS (6:30 am - 11:00 pm) (SOPA Headquarters)	(814)-810-7750

When Calling 911 you will need to provide the following information:

- What the emergency is
- Where the emergency is
- Who is reporting the emergency
- Give a telephone number that they can call back
- Remain on the phone until released by the officer
- Assist in directing the emergency personnel to where they are needed

# Lost or Missing Athlete

If an athlete becomes lost or missing, please notify the Special Olympics Safety (SOS) representative at your venue (identified wearing a bright orange Special Olympics Shirt) or contact the SOS Operations Center at (814)-810-7750. If you cannot contact SOS, dial (814) 863-1111 to alert campus police.

# SAFETY AND SECURITY

### Practice good hygiene habits all the time! Please remind everyone to:

- Keep your hands clean by washing thoroughly with soap and warm water or using an alcohol-based hand sanitizer;
- Keep cuts and scrapes clean and covered with a bandage until they are healed;
- Avoid contact with other people's wounds or bandages;
- Avoid sharing personal items such as towels, razors, or clothing;
- Routinely clean commonly used items like athletic equipment. Don't forget to clean equipment shared by athletes. (helmet, pads, etc.);
- Do not share cups, glasses, dishes, or cutlery;
- Avoid touching your face, eyes, nose, and mouth with your fingers;
- Cough or sneeze into a disposable tissue.

# Overall Points of Safety

Please be sure to read over the following safety and security points. As always, the safety of all Special Olympics participants is the utmost priority. As a coach, it is your responsibility to ensure the safety of the athletes in your care.

- Be sure all athletes and coaches are wearing their credentials.
- Be generally aware of your surroundings. Seek out a SOPA security volunteer or staff member if anything seems suspicious to you.
- Carry a copy of all athlete medicals and coach volunteer forms (updated ones listing medical concerns and insurance information) with you at all times.
- Carry emergency phone numbers (in the Coaches Handbook) with you at all times.
- Meet and get to know any "day-of" volunteers who are assigned to your group.
- Be sure athletes know not to go off alone with unknown persons or to carry anything for anyone.
- Carry a cell phone if you have one and write down/carry cell phone numbers of other coaches in your delegation. If you are a HOD or a coach, make sure that the Games Committee has your number.
- Remember that there is a zero tolerance policy in effect for any pranks concerning safety issues by athletes, coaches or volunteers. Anyone violating that policy will be asked to leave the event with potential for further action.
- Set-up (if not already in place) a phone chain with parents and families back home so that they can be notified of an early arrival or a change/cancellation in the schedule which may happen before, during, or at the end of the event.
- Carry a flashlight in your backpack.

### **Extra Precautions at the Residence Halls**

- Write down the names and hotel/dorm room numbers of all athletes. Make sure that the Games Committee has your most updated list of all delegates' room numbers.
- Write down the coaches' room numbers for the athletes so they can call if they need help.
- Give each coach a specific set of rooms (and keys) to notify and account for athletes in the event of an emergency.
- Confer with all coaches to confirm meeting point for your dorm in case of emergency.
- Do a final room check before going to bed to ensure all athletes are in rooms.
- Have athletes leave their shoes and coats in a place near the door so they can quickly put these on before leaving the dorm in the event of a fire.

• Keep a backpack or bag with the following items in it near the door so that you can quickly grab it on your way out: car/van keys, cell phone, emergency numbers, athlete medicals, wallet, shoes, and coat.

### **Meeting Points in Event of Emergency**

Once on site at the Games, you will receive the meeting points for the dorms and the venues.

If there is a fire in the dorm or at a venue and you need to leave the facility, be sure coaches have accounted for all their athletes and fellow coaches. When leaving the building, follow instructions of SOPA staff/facility personnel and use nearest exit door. Stay where instructed until notified by resident hall/facility/SOPA staff.

# Procedures for Total Evacuation from Area

- If SOPA has to ask delegations to evacuate from the Games completely, the following procedures will be followed:
  - SOPA will notify each HOD by phone or through a meeting (if time permits) of the need to evacuate. We have a master list to ensure we contact everyone.
  - If we are only leaving the vicinity and not the Games entirely, we will provide a meeting point and directions.
  - If the Games have been canceled and we are sending delegations home, we will give you any time constraints and any evacuation routes to follow if appropriate.
  - Heads of Delegation will account for all coaches and athletes and their belongings.
  - HOD will secure transportation for trip out of the area. If transportation is needed contact SOPA at (484) 335-3112.
  - Once everyone is accounted for, HOD will call (484)-335-3112 and either talk to or leave a message on voice mail with the following information:
    - Your Name
    - Delegation
    - Time of Departure
    - Final Destination
    - If possible, phone number where delegation can be reached (cell phone of HOD, coach, or bus company if available)
  - If an athlete is missing and the delegation is ready to depart, contact a staff person at your dorm or a staff person at the venue you may be leaving from. If time is crucial and you need

to leave the area, one staff person and one coach or volunteer from your delegation will stay behind to look for the missing athlete and the rest of the delegation will depart. Once the athlete is found, the coach and staff person will make plans to either meet up with the delegation if nearby or the staff person will arrange to take all parties back to the home program.

### Medical Emergencies

Medical care for Summer Games will be provided by athletic trainers, physicians, and other medical professionals volunteering from across the Commonwealth.

- In the event that an athlete or coach needs to be picked up at the hospital, arrangements can be made with SOS Operations Center at 124 Johnston Commons.
- Athletic trainers and emergency medical technicians (EMT's) will be available at most venues to provide immediate emergency care for all participants throughout the Games.
- To request emergency medical or police assistance, contact the EMT or SOS Volunteer on your venue or call 911. Cases requiring an ambulance will be transferred directly to the hospital. The hospital is located three miles from Penn State Campus on the East Park Avenue extension, between Beaver Stadium and the Route 322 bypass.
- University emergency ambulance services are provided 24 hours daily for all visitors to the campus. Call (814) 863-1111 to receive ambulance service.

## Medication Management

- Please refer to <u>Special Olympics Pennsylvania's Best Practice for Medication Assistance</u>. This
  information can also be accessed on the Special Olympics Pennsylvania website on the Forms
  page: <u>https://specialolympicspa.org/forms</u>.
- Please ensure your athletes are completing the <u>Medication Assistance Consent Form</u> and your Class A volunteers traveling with the delegation are completing the <u>Medication Assistance</u> <u>Tracker</u> (on the next page).

### Special Olympics Pennsylvania Medication Assistance Tracker

Name of Athlete:

Name of Class A Volunteer:\_\_\_\_\_

Date	Medication	Time	Amount	Coach Initials	Comments

# In Case of Injury or Illness

- All medical concerns, no matter how minor they appear, must be reported to the medical emergency personnel located at the first aid areas.
- Minor injuries can be brought to SOS in 12 Johnston Commons.
- If the condition is severe, stay with the athlete or person who needs assistance. Do not move the patient.
- Have someone seek help at the nearest emergency medical station or SOS Volunteer. Send someone to find the athlete's coach immediately.
- If requests of the coaches or chaperones are contradicted by the nature of the physical situation, the EMT protocol for providing medical treatment will prevail.

### NIGHT INJURY OR ILLNESS

If an illness or injury occurs during the night, contact EMS by calling 911. A representative of the athlete's county will be required to be present during all treatment and travel to the hospital if it is required. Remember to take a copy of the athlete's application for participation (medical) with you to the hospital.

### MEDICAL ASSISTANCE LOCATIONS

During Summer Games, athletic trainers, physicians and EMTs will be stationed at the venues and identified by a First Aid sign and red t-shirts with a white cross.

### **ATHLETE APPLICATIONS (MEDICAL FORMS) & RECORDING PROCEDURES**

- Each athlete must have a current athlete application for participation (medical/parent) release form signed by an MD, DO, PA, CRNP, or FNP.
- Coaches must have copies of their athletes' application/release forms with them at all times.
- Coaches should notify the parent or guardian of an injured athlete when a serious injury occurs. In case of hospitalization, records of the incident will be completed in accordance with EMT protocol and held in the Summer Games file.

### **MEDICATIONS**

Individuals taking medication should have a list of the medications used, as well as a schedule indicating the exact dosage and times of medications. Should an athlete or delegation member require treatment, the medical staff must have accurate information regarding that person's medication. Medical staff may not dispense medications or injections. Medications should never be given to athlete escorts to hold for athletes. If medications must be refrigerated, we suggest they be stored in the refrigerator located in the Head Coach's dorm room. The medication should be in the original prescription bottles with the physician's name and telephone number.

### **IMMUNIZATIONS**

Athletes and coaches should have up-to-date immunizations, which include tetanus toxoid booster, during the last 10 years. It is suggested that all athletes and coaches consult their physician on this matter. The date of the most recent tetanus toxoid booster should be indicated on each athlete's application for participation (medical).

### UNIVERSAL PRECAUTIONS

**Standard Precautions** combine the major features of Universal Precautions and Body Substance Isolation and are based on the principle that all blood, body fluids, secretions, excretions (except sweat), non-intact skin, and mucous membranes may contain transmissible infectious pathogens. They are a basic level of precautions which are to be used, as a minimum, in the care of all individuals.

### Key Elements of Standard Precautions:

- 1. Assume that <u>every</u> person is potentially infected with a bloodborne pathogen or Other Potentially Infectious Materials (OPIM)
- 2. Hand Hygiene
  - a. Hand washing: wet hands and apply soap, rub all surfaces for 40-60 seconds, rinse hands and dry thoroughly with a single use towel, use the towel to turn off the faucet.

- b. Hand rubbing: for use when resources are limited; apply enough alcohol-based preparation product (hand sanitizer) to cover all areas of the hands, rub hands for 20-30 seconds until dry.
- c. Use hand hygiene techniques
  - i. Before and after any direct patient contact and between patients, whether or not gloves are worn
  - ii. Immediately after gloves are removed
  - iii. Before handling an invasive device
  - iv. After touching blood, bodily fluids, secretions, excretions, non-intact skin, and contaminated items, even if gloves are worn
  - v. During patient care, when moving from a contaminated to a clean body site of the patient
  - vi. After contact with inanimate objects in the immediate vicinity of the patient
- 3. Personal Protective Equipment (PPE)
  - a. Gloves
    - i. Wear when touching blood, bodily fluids, secretions, excretions, mucous membranes, and non-intact skin
    - ii. Change between tasks and procedures on the same patient after contact with potentially infectious material
    - iii. Remove after use, before touching non-contaminated items and surfaces, and before going to another patient. Perform hand hygiene immediately after removal
  - b. Mouth, Nose, Eye Protection
    - i. Use barrier devices (mask, valve, or shield) when performing CPR
    - ii. Use PPE to protect the mucous membranes of the eyes, nose, and mouth during procedures and patient-care activities that are likely to generate splashes or sprays of blood, body fluids, secretions, and excretions.
- 4. Linens
  - a. Handle, transport, and process used linen in a manner which
    - i. Prevents skin and mucous membrane exposures and contamination of clothing
    - ii. Avoids transfer of pathogens to other patients and/or the environment
- 5. Waste Disposal
  - a. Ensure safe waste management
  - b. Treat waste contaminated with blood, bodily fluids, secretions, and excretions as clinical waste, in accordance with local regulations
  - c. Discard single use items properly

### SUN PROTECTION

Athletes should have a good sunscreen (SPF 15 or better). Each athlete should test the sunscreen before the Games to be sure that it does not cause skin irritation or an allergic reaction. Sunscreen is available at the first aid area of all outdoor venues. Water is provided at all venues; please remember to stay hydrated during the events.

### <u>DIET</u>

Encourage a balanced plate including all food groups; fruit, vegetables, whole grains, lean proteins, and dairy.

- Fruits and vegetables can be high in fiber and provide many vitamins and minerals.
- Whole grains are less processed than white/refined grains. They provide more nutrients and fiber which is heart healthy and keeps us feeling full.
- Protein helps our muscles to build and recover after workouts, it also helps us feel full and satisfied. Lean proteins have less saturated fats. Saturated fats can increase our risk for heart disease and strokes.
- Dairy foods provide calcium that helps us maintain strong bones, they are also a good source of protein. Diary may not always be included at every meal, but when it is we want to choose low fat and non-fat dairy to reduce our intake of saturated fats. Dairy and dairy alternative foods should be consumed 2-3 servings a day.
- Beverages keep us hydrated but many contain large amounts of excess sugar, providing empty calories that can lead to weight gain and increase risk for chronic diseases. Drink mostly water to avoid excess sugar.
- •

### FIRE SAFETY

This section will provide you with basic information to help you make sound judgments in the event of a fire emergency. Vacate the building as quickly as possible by using the stairs, not the elevator. In some cases, you may be safer in your room. Please take a few moments to read this -- it could save your life:

- As soon as you get to your room, locate the nearest fire exit. Count the number of doors from your room to the fire exit - you may have to find that fire exit "blind" in a dark or smoke-filled hallway.
- After hearing the fire alarm, don't panic. Before opening the door, feel it at the bottom (first) and the top (second). If the door is cool, proceed to the nearest fire exit.
- Be prepared to retreat.
   You may enter a fire exit stairwell that is clear on the upper floor, only to find thick smoke as you go down. Don't try to force your way through. Go back to your room or the roof.
- If the door is hot, there may be fire or super-heated gas in the hall. Do not open the door. Stuff sheets or towels around cracks in the door to keep the smoke out.
- Open a window, but be prepared to close it if smoke comes in. Before you break a window to let in fresh air, consider that you might let in more smoke instead, with no way of closing the broken window. Once the window is open, wave a towel or a piece of clothing out the opening so fire rescue personnel can identify where you are.
- **PLEASE NOTE:** The Head of Delegation is responsible for supervising the safe evacuation of the entire delegation in accordance with the above fire safety information. In the event of evacuation, the Head of Delegation should assemble and account for all members of their delegation and report accountability status to the SOS desk as soon as possible after evacuation.

Gather up at the assembly point provided for the dorm or venue. Assembly points for each venue/dorm area are:

- <u>East Halls</u> Olympic Village
- <u>South Halls</u> Olympic Village
- <u>Rec Hall</u> Fisher Plaza, east of Kern Bldg.
- Jeffrey Field field between Jeffrey Field and Bryce Jordan Center
- <u>Multi-sports Complex</u> Outside fields between Complex and Bryce Jordan Center
- IM Building Tennis courts on the side of building
- <u>White Building</u> HUB lawn behind the building
- <u>Natatorium</u> Tennis courts behind the Nat
- <u>Sarni Tennis</u> Open field at entrance to complex
- <u>Holuba Hall</u> Turf field south of building
- <u>Golf</u> small clubhouse near parking lot
- <u>Track</u> area behind Multi-Sports Complex
- Medlar Field Parking Lot north of the field

# Housing

# **ATHLETE HOUSING GUIDELINES**

### Safety Statement

Special Olympics Pennsylvania (SOPA) is responsible for providing appropriate and safe environments for all facets of the program, and the health and safety of every athlete is the highest priority for SOPA.

Risk management principles will be applied to all aspects of Special Olympic Pennsylvania activities. Although it is not possible to avoid all risks associated with sports trainings and competition and other Special Olympics activities, we must consider ways to avoid or minimize identifiable risks when practical. The risk of most concern to Special Olympics Pennsylvania is any threat to the safety of Special Olympics athletes.

### Guidelines for Athlete Housing During Overnight Travel

In situations where athletes are required to travel and stay overnight in hotel/motel/dorm accommodations, the Special Olympics Pennsylvania will provide appropriate supervision. It is understood that this can be maintained without a volunteer being present in every room at all times.

- Under no circumstances may a SOPA coach, Unified Partner, volunteer or chaperone be assigned to share a room with an athlete of any age or gender unless the chaperone is the same gender parent, guardian or other family-designated adult, and that chaperone has been properly registered and screened. For purposes of this requirement "properly registered and screened" means the individual has completed Class A volunteer screening.
- 2. Individuals of opposite gender shall not be assigned to the same room except as provided below (NEW). Please note that Special Olympics has approved these exception but The Penn State Housing Policy does not allow for individuals of the opposite sex to be housed on the same floor or same room.
  - I. A required one-on-one chaperone who is a parent, guardian or other family-designated adult who has been properly registered and screened (received Class A volunteer screening).
  - II. Married athletes who are both attending the event as members of a registered delegation. This exception does not apply to the spouse of an athlete who is not participating in the event, but attending solely as a spectator.
  - III. Married volunteers who are both attending the event as members of a registered delegation. This exception does not apply if one of the volunteers is required to share a room with an athlete except as noted below in 3) a) (other than the married couple's child) as this scenario will create a situation whereby an athlete is housed with a volunteer of the opposite sex.
  - IV. Housing in a facility that has multiple private rooms in addition to living space (such as a condominium or dormitory). Both males and females may be assigned to one condominium, if necessary, but private rooms may not be shared by individuals of the opposite sex. Chaperones must also be housed in the condominium and that chaperone/athlete ratio (as outlined above) must be maintained.

V. Use of barracks or other facilities (such as a gym) where a large number of individuals are assigned to one room. Athletes and volunteers must be separated as much as possible by gender, (for example, females on one side of the gym and males on the other side).

3. All reasonable efforts will be made to house athletes (or Unified Partners) of appropriate age ranges together.

- a. In order to participate in an overnight event, athletes (or Unified Partners) under the age of ten (10) must be accompanied by a properly registered and screened parent, guardian or other family-designated adult individual for the duration of the event.
- b. Under no circumstances is an athlete (or Unified Partner) 18 years of age or older permitted to room with an athlete (or Unified Partner) 13 years of age or younger. When athletes (or Unified Partners) over 18 years of age are rooming with athletes (or Unified Partners) under 18 years of age, there shall be no more than a four year age difference between those athletes (or Unified Partners). To the maximum extent possible, when athletes (or Unified Partners) between the ages of 10 and 17 will be housed together, they shall be housed such that there is no more than a four year age difference between the youngest and oldest.
- 4. All reasonable efforts should be made to house athletes of similar functional abilities together. Local programs must note special needs (wheelchair access, allergies, etc.) when submitting housing requests, and reasonable attempts will be made to accommodate such needs within the constraints of this policy and the limitations of the facility itself. If any such special need cannot be met the local program shall give notice to the athlete(s) affected or, in the case of a minor or athlete incapable of consenting on his/her own, to his or her parent or guardian.
- 5. If an athlete is required to have one-to-one supervision due to a previously reported incident/action, the athlete and same gender chaperone may not stay in the same room with other members of the delegation.
- 6. Please assign athletes (or Unified Partners) of the same gender one per bed, and two to a room.
- 7. For athletes under the age of 10, please assign a properly registered and screened same gender parent, guardian or other family-designated adult individual to their room. If the adult staying with the 8 or 9 year old athlete would not otherwise be attending the competition, please register them as a delegation volunteer and note their role as a chaperone for a young athlete on the coach entry form. Programs will not be charged an additional fee for this chaperone.
- 8. Please follow the new guidelines carefully. You are required to assign as many athletes to each room as possible (2) while adhering to the requirements of these new guidelines.
- 9. Please include the athlete's (or Unified Partners) age on the HOUSING REQUEST FORM.

SOPA will attempt to station medical and security personnel at each hotel/motel/dorm and a specific room(s) will be designated for these personnel. In addition, where possible, a SOPA staff person will be housed in each hotel/motel/dorm. Whenever feasible, overnight roaming security patrols will be implemented for delegation safety.

Special Olympics athletes, coaches and heads of delegation will be housed in the South Halls housing areas of Penn State University. Delegations will be housed in the same residence hall whenever possible - however, males and females will be separated by floors. It is the responsibility of the coaches to supervise all athletes in the residence hall. Participants requiring the use of a wheelchair will be housed on the ground floor of each facility in specially equipped rooms when available.

### East Halls Complex

The East Halls complex contains 16 residence halls with Findlay Commons acting as the SOPA headquarters. All rooms within each building will house two occupants. The rooms contain two single beds with 2 flat linens provided by Penn State, two desks and chairs, two chests of drawers, one large sliding door closet and a small refrigerator with microwave oven. Delegations should bring their own towels, face cloths, soap, blankets pillows, pillowcases and fans. Please note that all residence halls within the East Halls Complex have automatic locking room doors as part of the safety & security of our residents. You will need to always carry your Conference Room Card with you if you leave your bedroom or you will get locked out of your room. If you are locked out of your room, you will need to go to Findlay Commons Desk to have a staff let you back into your room. If you loose your Conference Room Card it will be a \$20.00 replacement fee.

**NOTE:** Beds will not be made when you arrive. Your delegation is responsible for making your own beds.

Plastic protective coverings for beds being used by bed wetter's will not be provided by PSU. If necessary, delegations should make arrangements to bring plastic mattress covers. Delegations will be billed for any damaged mattresses; missing linen. Cleaning supplies can be obtained at the Findlay Commons Desk.

### HOUSING SECURITY

Residence halls will be locked at all times. Swipe cards must be used to enter each resident hall. **Persons may not enter or leave the facility after 11:00 pm without proper authorization.** University Police Services will patrol the perimeter of the East Halls Complex from 10:00 pm to 6:00 am. Coaches will be given swipe cards to enter buildings after Coaches Meetings. For all security problems, contact the following personnel during the specified time period:

# **Athlete Selection**

• Summer Games is a multi-day overnight event. Each coach/program is responsible to ensure athletes selected to participate will have a successful experience. The below outlines recommendations for athlete selections.

• <u>Time Away from Parents/Family</u> – Athletes attending State Games can expect to be away from their families for up to 3 days and could possibly go without seeing them during this time. For some athletes this can cause stress and anxiety.

• <u>Conform to the Group/Adaptability</u> – In order for delegation to function well, all members must adhere to team rules and the team schedules. Often times this means that a sport team may need to adhere to a schedule as a group – meaning an athlete cannot direct his/her own schedule. In addition, there will be times when schedules change with little or no notice and athletes must be able to adapt accordingly.

• <u>Daily Living Skills</u> – Athletes must be able to independently handle all toileting, showering and daily hygiene needs. Coaches can easily provide reminders to take care of these items but athletes must be able to attend to these needs on their own in an efficient time frame. Athletes must be able to share living space with other team members.

• <u>Selecting Athletes Who Are Appropriate for the Sport and/or Events</u> - Every effort should be made to ensure that every athlete being considered for attendance has competed in his/her sport and the specific/identified events in that sport for at least the minimum required 8 weeks of training prior to State Games and is ready for the State Games competition level.

• <u>Travel and Long Days</u> – The distance required to travel to State Games can result in long days. In addition to the travel days being long, the actual Games days will be long as well. It is realistic to expect 12-15 hour days – can the athlete being considered handle this for several days? The general fitness of the athlete should be considered. Does the athlete have a general fitness level that will allow them to walk for extended periods of time over various distances, multiple days?

#### CONSENT FOR ATHLETE PARTICIPATION

# <u>Everybody Plays</u> Basketball, Softball, Volleyball, Soccer and Floor <u>Hockey</u>

Article 1.03F of the Special Olympics General Rules States:

 Special Olympics celebrates and strives to promote the spirit of sportsmanship and a love of participation in sports for its own sake. To that end, Special Olympics aims to provide every athlete with an opportunity to participate in training and competition events which challenge that athlete to his or her fullest potential, regardless of the athlete's level of ability. Special Olympics therefore requires that Special Olympics Games and Tournaments offer sports and events which are appropriate for athletes of all levels of ability, <u>and in the case of team sports</u>, <u>provide every athlete with an opportunity to play in every game</u>.

Special Olympics Pennsylvania supports Article 1.03F as the guiding principle for participation of athletes registered as members of a team for competition at any SOPA Sectional or State Competition. As such, each athlete on a team roster must be given an opportunity to play in every game for which their team is scheduled. Special Olympics Pennsylvania will not dictate the amount of time that each athlete must play during a game, but the goal is to provide a meaningful competition experience for every athlete on every team.

The only exceptions to this requirement will be in cases of illness or injury, where an athlete is not physically able to play, or behavioral issues, where a coach chooses not to play an athlete in order to address inappropriate behaviors. In situations where an athlete will not be playing due to illness or injury or behavior issues, the athlete shall not dress in their competition uniform for the game and if appropriate supervision is available, will not be seated on the bench with the team for that game.

If the illness or injury or the behavior issue is such that an incident report or misconduct report is completed this report should be provided to the programs HOD who should then forward to the Program Manager and if appropriate, a representative of the Games Organizing Committee (GOC) or a SOPA staff person. The coach should also be prepared to provide an explanation to the GOC or SOPA staff, if requested, as to the reason why an athlete is not dressed and playing in a particular game. As a reminder, athletes who do not participate in preliminary games may not participate in pool play or medal round games.

At Events –

- Teams must complete lineup cards, with numbers & names
- Bottom of the card those who are not playing and why
- Scorekeeper will check the players as they enter the game
- Code of conduct will be filed if all players are not played
