AL SENAVITIS
MISSION IMPACT FUND
(ASMIF)

Program Guidelines and Grant Process
Purpose
The purpose of the Al Senavitis Mission Impact Fund (ASMIF) Program is to assist ALL SOPA local programs in launching new initiatives, creating program enhancements and sustaining program viability by providing financial assistance.

Scope
The ASMIF is designed to help local programs enhance the quality of their programs, achieve success at a level over and above what is currently being done and establish a foundation for continued growth. The ASMIF is not intended to become a continuing source of support for a single initiative or need, nor is it intended to substitute for good faith efforts to develop resources locally. SOPA local programs are encouraged to identify opportunities to enrich the experience for their athletes in ways that expand or improve their participation and are sustainable over time without continued ASMIF support. Programs will be asked to share their accomplishments to date to support local athletes and the obstacles that have prevented the program from maximizing its potential. The ASMIF Committee expects to entertain requests for support and use a combination of financial resources and SOPA program development resources to both meet immediate needs and provide for ongoing sustainability through the development of continuing local support.

Suggested ASMIF Uses include but are not limited to:
- Sending registered delegations to sectional and/or state competitions
- Starting up new sports and/or offering local competition opportunities
- Enhancement of an existing sport or program
- Community Outreach
- Competition Registration Fees
- Transportation costs for registered delegations to and from trainings and competitions
- Uniforms
- Equipment
- Volunteer recruitment and training
- Athlete Recruitment
- Athlete Leadership Development
- Technology support and needs
- Invitational programs (competition hosted by local program for multiple counties)
- Regional and State athlete and/or volunteer initiatives that several local programs will benefit from. Example: Athlete Leadership Program (ALPs).

Restricted ASMIF Uses include but are not limited to:
- Salaried or paid positions
- Social events (parties, dances, etc.)
