I understand I could get Coronavirus through sports, training, competition and/or any group activity at Special Olympics. I am choosing to participate in sports, competition and/or other Special Olympics activities at my own risk.

During the time these precautions are needed, I agree to the following to help keep me and my fellow participants safe:

I am a high risk participant as I have one or more of the conditions mentioned above. □ Yes No ☐ I know that if I have a high-risk condition, I have more risk that I could get sick or die from COVID-19. If I have a high-risk condition, I cannot go to Special Olympics events in person, until there is little or no Coronavirus in my community. If I have COVID-19 symptoms, I will stay at home and NOT go to any activities until 7 days after all of my symptoms are over. If I am exposed to COVID-19 and have no symptoms, I can return 14 days after exposure. ☐ I know that before or when I get to a Special Olympics activity, they will ask me some questions about symptoms and exposure to COVID-19. They may also take my temperature. I will answer truthfully and participate fully. I will keep at least 6 ft/2m from all participants at all times. I will wear a mask at all times while at Special Olympics activities. I may not have to wear it during active exercise. ☐ I will wash my hands for 20 seconds or use hand sanitizer before any activities. I will wash my hands any time I sneeze, cough, go to the bathroom or get my hands dirty. ☐ I will avoid touching my face. I will cover my mouth when I cough or sneeze and immediately wash my hands after. I will not share drinking bottles or towels with other people.
