

The purpose of this Honor Code is to communicate the meaning and importance of athletic integrity to all members of the Special Olympics Pennsylvania (SOPA) community and to articulate and support the interest of the athletes and coaches in maintaining the highest standards of conduct in virtual competition.

SOPA embodies a spirit of mutual trust and honesty. As a coach I promise to:

- Give athletes one attempt to record their competition score as is done in-person. Providing multiple attempts to try and submit a higher score is illegal and violates the integrity of virtual competition.
- Follow and enforce the competition rules for each sport which includes calling any illegal attempt or violation.
- Have my athletes use the same course, field, court, and equipment for divisioning, as well as all virtual competitions.
- Submit the exact time, distance, score, or other performance measurement for each athlete for divisioning and all competitions.
- Follow all virtual competition guidelines and standards provided by Special Olympics Pennsylvania.
- Meet all deadlines for submission of scores.
- Ensure the athletes I coach have the proper equipment and practice facilities which provide them with the best opportunities to succeed.

This Honor Code summarizes the expected standards of conduct in virtual athletic competitions. The Honor Code is an addendum to the existing SOPA Code of Conduct to ensure equality in competition during any time in person competitions cannot be offered.

The “Virtual Competition Review Committee” will make sure athletes and coaches follow the rules of the Honor Code. The committee will consist of SOPA and members of the Local Programs, and will not tolerate any violation of the Honor Code.
