Coaches Guide to Training and Competition during Return to Activities

As we head into Return to Activity the following requirements will be in place for a program to begin training:

- **PHASE B:** No more than 10 total participants (including athletes, coaches, and volunteers) are permitted at a training site or event during the first phase of in-person activities.
- **PHASE C:** No more than 25 total participants.
- **COVID-19 Coordinator** (either the coach or another volunteer) is required at each training site or event. This individual will conduct a basic screening protocol prior to each practice and have several additional responsibilities.
- For team sports, only Level 1 and Level 2 skills activities are permitted. No team play will be allowed in the fall. Sport specific guidance is provided in the Coach Resource Guide.
- No in-person competitions will be permitted during the fall season.
- All competitions will be done virtually – Including Fall Sectionals and Fall Festival.

**Coach Responsibilities:**

- To insure the safety of everyone at their training site by following all policies outlined within this guide and the Return to Activities plan.
- Everyone (coaches, volunteers, participants) MUST wear a mask upon arrival and when appropriate/safe during practice. Individuals should bring their own mask to practice, but SOPA will supply extra disposable masks per training site for use as needed.
- Require social distancing of at least 6 feet at all times.
- Be sure to use hand sanitizer throughout practice.
- Disinfect equipment immediately if cross contamination occurs or before passing it onto another person. All equipment must be disinfected at the beginning and end of practice. Once disinfected there is a 5 minute wait time between contact, be sure to enforce this rule.
- Be aware of the signs and symptoms of COVID-19 and isolate participants from others at practice if they are displaying signs. The COVID-19 Coordinator will contact their family/caregivers to have them picked up as soon as possible.

**Requirements for all Phases:**

To conduct training and competition, organizations and teams authorized to conduct in-person activities must adhere to the following:

- The training site must designate a primary point of contact for all questions related to COVID-19, and all participants must be provided the person’s contact information. The COVID-19 Coordinator must communicate potential cases to
the local health authorities for testing and to SOPA (within privacy laws).

- Participants are required to wear face masks when they are not engaged in a sporting activity, unless doing so jeopardizes their health. The training site must have face masks/PPE available for those who are unable to bring. SOPA will supply these materials.
- All participants must bring their own water and drinks to team activities. Team water coolers for sharing through disposable cups are not allowed. Fixed water fountains should not be used.
- Whenever possible, equipment and other personal items should be separated and not shared. If equipment must be shared, all equipment should be properly disinfected between users.
- Avoid shaking hands, fist bumps, or high fives before, during or after training and competition. Limit unnecessary physical contact with participants.
- Ensure that the venue is disinfected or sanitized, especially bathrooms. Training site should have adequate hand washing facilities. If not, hand sanitizer must be made available. SOPA will supply hand sanitizer to all training sites.
- Activities that increase the risk of exposure to saliva are not allowed including chewing gum, spitting, licking fingers, and eating sunflower seeds.
- Participants must maintain appropriate social distancing at all times possible, including in the field of play, locker rooms, sidelines, dugouts, benches, and workout areas. During down time, participants should not congregate.
- Limit entrance and exit traffic, designate specific entry to and exits from facilities. Ensure staggered pick up and drop off for training and competition; participants are not congregate while awaiting pick up; congregation or crowding does not occur on drop off. Pickups and drop offs should remain outside.
- COVID-19 Participant Code of Conduct and Risk Assessment Form: Prior to returning to any in-person SOPA activities in Phases B through E, all participants are required to complete and return a COVID-19 Participant Code of Conduct and Risk Assessment Form which provides information and guidance on assessing risk and acknowledges that participation could increase risk of contracting or spreading COVID-19.
  - If a participant travels out of the State of Pennsylvania or travels to a Yellow or Red Phase county within the State of Pennsylvania, they must refrain from attending SOPA activities for 14 days.
- SOPA and Local Programs ensure that all participants are educated about those that are at higher risk of complications from COVID-19 as well as all procedures and expectations for return to activities.
- SOPA and Local Programs must provide a safe participation option for those who are at high risk and thus not permitted to participate in person.
- Prior to moving on to the next phase, training sites must follow the minimum weeks (3-4) requirements in each phase to evaluate the success of the mitigation and infection control precautions.
- Regular education must be provided to all participants reminding them stay home if they have a fever or any signs and symptoms (cough, shortness of
breath, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, diarrhea). Individuals must not participate in any activities if they are sick, for their own health and to reduce transmission of any infections to others. Instruct anyone who is ill to contact their own health provider for further evaluation.

- Screening Protocol and Screening and Tracking Form: The COVID-19 Coordinator must screen and monitor all participants for symptoms. Prior to entering an activity, practice, event, or gathering, the COVID-19 Coordinator:
  - Must set-up a space for screening that maintains physical distance (6ft/2m) during screening.
  - Must ask the following questions (reinforced through visuals and verbally, such as a paper with icons):
    - In the last 14 days, have you had contact with someone who has been sick with COVID-19?
    - Have you had a fever in the last week (temperature of 100.4°F/37.8°C or higher)?
    - Do you have a cough and/or difficulty breathing?
    - Do you have any other signs or symptoms of COVID-19 (fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, diarrhea)?
    - If yes to any questions, participants MUST be isolated from the group (at minimum, kept 2m/6ft apart from others and with mask on), be sent home, and instructed to contact their healthcare provider for evaluation.
  - Must conduct onsite measurement of temperature using a thermometer (provide by SOPA)
    - If individuals participating in activities show symptoms, have a temperature of 100.4°F/37.8°C or higher, or are sick, they must be sent home.
    - If high, may re-test after 5 minutes to ensure temperature is accurate.
  - Must record all names, results and contact information on the Screening and Tracking Form for contact tracing.
    - Participants who are found to have COVID-19 symptoms must wait 7 days after symptoms resolve to return to activity or must provide written proof of physician clearance to Special Olympics to return earlier.
    - Participants who test positive for/have COVID-19 must provide written medical clearance before returning to activity.

- No spectators are allowed to congregate on the sidelines of activities. Individuals providing transportation for participants are to remain in vehicles until sessions are over. If participants need assistance, caregivers may remain provided but will be considered participants and must abide by all outlined requirements for participation.

### Recommended Warmups
- Warmup lap
- Hip circles
- Arm circles
- Jumping jacks
- High Knees
- Butt kicks
- Moving lunges

### Recommended Cool Downs
- Reach for the sky
- Side stretches
- V Sits
- Modified hurdles

### Additional Drill Examples
- Plyometric drills
  - Wall sits
  - Air squats
  - Burpees
  - Jump rope
  - Plank
Roller Skating - Artistic

Description
Athletes will train under the guidelines of SOPA’s Return to Activities Policy. In Phases B and C, athletes will be able to compete in Level 1 (Traditional) or 2 (Advanced) Skill Competitions. In these Phases equipment will NOT be shared. Equipment that is cross contaminated must be disinfected immediately. Following practice all equipment MUST be disinfected before put away.

Recommended equipment
- Stopwatch
- Painters tape for start and finish lines
- Spray disinfectant and hand sanitizer (SOPA will supply)

Virtual Competition Entry Information
- Athletes are allowed to enter in up to three individual events and will be awarded for results for each individual skill. Athletes may enter either Level 1 Entry Skills or Level 2 Advanced Skills.
- Roller Skating will be eligible to compete in both Fall Sectionals and Fall Festival this year.
- Qualifying scores will be due three (3) weeks prior to State level competitions, the coach will record a qualifying score for each athlete in their chosen event(s). These scores will be used for divisioning and must follow the SOPA Honor Code.
- Coaches will record and submit the athlete’s numerical score in the chosen event(s)
  - Level 1
    - Cross in Fronts
    - Cross in Back
    - Three forward alternating strokes
  - Level 2
    - Shoot-the-Duck (one-legged sitting glide)
    - Forward Arabesque
    - Two-foot jump from forward to backward with T-stop
- There is a data collection form at the end of this guide that will help to compile the information during your practice.
- The Qualifying Score will be submitted to the Sport and Competition Coordinator/Regional Sport Director for submission.

Phase B and C Competition
- Athletes will be divisioned according to their entry scores.
- Deadline for final scores will be the Monday prior to the event; final scores should be sent to your Sport and Competition Coordinator/Regional Sport
Director. These will then be submitted to the appropriate SOPA Competition Director to produce the final results for each event.

- For consistency, the same playing surface **must** be used for divisioning and competition.
- Coaches will record and submit the athlete’s numerical score in the chosen event(s)

  - Level 1
    - Cross in Fronts
    - Cross in Back
    - Three forward alternating strokes
  - Level 2
    - Shoot-the-Duck (one-legged sitting glide)
    - Forward Arabesque
    - Two-foot jump from forward to backward with T-stop

**Phase B and C Training**

- Separate into Stations
- Each coach should be working with a maximum of 4 athletes.
- These skill progressions can be worked on individually to increase participation time

**Level 1, Skill #1 - Cross in Fronts**

- Skills to work on:
  - Start practice with roller skates off
  - 2 feet together – step the right crossing in front of the left foot
  - Then move your left foot to meet the right foot
  - Make sure the athlete is standing with arms open wide
  - Once the athlete is comfortable with the cross in front have the athlete continue cross in fronts

- Now you are ready to put on skates
  - Follow the same steps as above until the athlete can perform the skill with their body standing up with arms open wide

**Level 2, Skill #2 - Cross in Back**

- Skills to work on:
  - Start practice with roller skates off
  - 2 feet together – step the right crossing in front of the left foot
  - Then move your left foot to meet the right foot
  - Make sure the athlete is standing upright with arms open wide.
  - Once the athlete is comfortable with the cross in front have the athlete continue cross in fronts
Level 1, Skill #3 - Three forward alternating strokes

- Skills to work on:
  - Start practice with roller skates off
  - From a standing position step forward with the left foot once steady
  - Then step forward with the right foot to meet the left foot hold until steady
  - Next step forward with the right foot
  - Then step forward with the left foot to meet the right foot
  - Follow the same steps as above until the athlete can perform the skill with their body standing upright with arms open wide
  - Now you are ready for skates

Level 2, Skill #1 - Shoot-the-Duck (one-legged sitting glide)

- Skills to work on:
  - Start practice with skates off
  - Have athlete squats with two feet and returns to standing position
  - Once comfortable – have the athlete squat
  - While in the squatted position have the athlete slide one leg forward (heel on floor) hold for a 3 second count and bring the leg back to squatting position
  - Repeat and once the athlete is comfortable increase the seconds they are holding the leg forward
  - Repeat this skill but instead of the heel on the ground lift the leg 2 – 3 inches off the ground
  - Now you are ready for skates

Level 2, Skill #2 – Forward Arabesque

- Skills to work on:
  - Start practice with skates off
  - Bend the body forward with arms open wide
  - Hold this position for 3-5 seconds and return to the starting position.
  - As the athlete becomes comfortable with this position – increase the time they hold in this position
  - Standing upright, arms to the side lift the back leg and hold for 3-5 seconds
• As the athlete becomes comfortable with this position – increase the time they hold in this position
• Now combine these two positions – Bent waist and arms first, lift leg second hold for 2-3 seconds and return to starting position
• As the athlete becomes comfortable with this position – increase the time they hold this position
• Now you are ready for skates
  o Follow the same steps as above

Level 2, Skill #3 - Two-foot jump from forward to backward with T-Stop

• Skills to work on:
  o Start practice with skates off
  o Two feet together practice small jumps -
    ▪ Star facing forward, body up right and arms open wide
    ▪ Jump until your backwards
  o Continue practicing this half turn jump until the athlete can do so without breaking form.
  o Now practice from the back position to the front.
  o Continue jumping from the backward position to the font until the athlete can do so without breaking form
  o Now put the jumps together -
    ▪ Facing front jump ½ turn so you are facing backwards
    ▪ From the backwards jump /2 turn until you are facing forward
  o Next - Perform the jump then take 2 full glides and perform a T-Stop.
• Now you are ready for the skates
  o Follow the same steps as above
Roller Skating – Artistic – Level 1, Individual Skills for Virtual Competition

Level 1, Skill #1 - Cross in Fronts

- **Equipment:** Stopwatch
- **Description:** In rink with skates on (athlete may start with either the left leg or right leg)
  - Athletes may choose if they would like to perform crosses right over left or left over right. Directions are written in right over left.
  - From standing position cross your right foot in front of your left foot.
  - Then move your left foot to meet your right foot.
  - Body should remain upright – no bending at the waist – arms open wide.
  - Continue front crosses – how many can you do in 30 seconds.
- **Description: Without skates/No rink**
  - Athletes may choose if they would like to perform crosses right over left or left over right. Directions are written in right over left standing position cross your right foot in front of your left foot.
  - Then move your left foot to meet your right foot.
  - Body should remain upright – no bending at the waist – arms open wide.
  - Continue front crosses – how many can you do in 30 seconds.
- **Score:**
  - The athletes will get three non-consecutive attempts.
  - When counting cross in fronts – do not count cross in front if the athlete does not have their arms wide open and body upright.
  - Record the number of clean front crosses the athlete makes in 30 seconds.
  - The final score will be the best amount of repetitions in the three attempts.
Level 1, Skill #2 - Cross in Back

- **Equipment:** Stopwatch
- **Description:** In rink with skates on (athlete may start with either the left leg or right leg)
  - From stand position cross your right foot in back of your left foot.
  - Then move your left foot to meet your right foot. Body should remain upright – no bending at the waist – arms open wide.
  - Continue back crosses – how many can you do in 30 seconds.
- **Description:** Without skates/No rink
  - From stand position cross your right foot in back of your left foot.
  - Then move your left foot to meet your right foot. Body should remain upright – no bending at the waist – arms open wide.
  - Continue front crosses – how many can you do in 30 seconds.
- **Score:**
  - The athletes will get three non-consecutive attempts.
  - When counting cross in fronts – do not count cross in front if the athlete does not have their arms wide open and body upright.
  - Record the number of clean back crosses the athlete makes in 30 seconds.
  - The final score will be the best amount of repetitions in the three attempts.
Level 1, Skill #3 - Three forward alternating strokes

- **Equipment:** Stopwatch
- **Description: In rink with skates on**
  - Athletes takes 4 opening steps
  - Glide forward with the left foot
  - Then glide forward with the right foot to meet the left foot
  - Next glide forward with the right foot
  - Then glide forward with the left foot to meet the right foot
  - This counts as one repetition.
  - This skill is complete when the athlete performs 3 repetitions.
- **Description: Without skates/No rink**
  - From a standing position step forward with the left foot
  - Then step forward with the right foot to meet the left foot
  - Next step forward with the right foot
  - Then step forward with the left foot to meet the right foot
  - This counts as one repetition
  - This skill is complete when the athlete performs 3 repetitions.
- **Score:**
  - Timer starts when the athlete takes their first step forward.
  - Timer stops when the 3 repetition is complete.
  - The athletes will get three non-consecutive attempts to perform the 3 repetitions.
  - The time recorded for the athlete result. (Time recorded as MM.SS.00)
  - The final score will be the athlete’s fastest time of the three attempts.
Roller Skating - Artistic - Level 2, Individual Skills for Virtual Competition

Level 2, Skill #1 - Shoot-the-Duck (one-legged sitting glide)

- **Equipment:** Stopwatch
- **Description: In rink with skates on**
  - Athletes takes 4 opening steps
  - Perform a 2 foot squat
  - Once in a squatting position extend one leg forward.
  - Forward legs skate must be 3-4 inches off the ground.
  - Arms should be over extended in front of you over the extended leg and can be holding the leg up at the knee.
- **Description: Without skates/No rink**
  - From a standing position perform a 2 foot squat
  - Once in a squatting position extend one leg forward.
  - Forward legs skate must be 3-4 inches off the ground.
  - Arms should be over extended in front of you over the extended leg.
- **Score:**
  - Time starts when the athlete is in the squat position with the leg fully extended.
  - Time ends when the athlete's leg is no longer fully extended, the athlete falls out of the position or they stand up.
  - The athletes will get three attempts.
  - The time is recorded for the athlete result. (Time recorded as MM:SS.00)
  - The final score will be the athlete's longest time of the three attempts.
Level 2, Skill #2 – Forward Arabesque

- **Equipment:** Stopwatch
- **Description: In rink with skates on**
  - Athletes takes 4 opening steps
  - Bending forward at the waist with the arms spread to the side
  - Lift your leg backwards as high as possible and hold. Your extended leg should be even with your upper body.
- **Description: Without skates/No rink**
  - From a standing position bend forward at the waist with the arms spread to the side
  - Lift your leg backwards as high as possible and hold. Your extended leg should be even with your upper body.
- **Score:**
  - Time starts when the athlete is bent forward, arm to the side and one leg is lifted backwards.
  - Time stops when the athlete’s extended leg breaks the plane.
  - The athletes will get three attempts.
  - The time is recorded for the athlete result. (Time recorded as MM:SS.00)
  - The final score will be the athlete’s longest time of the three attempts.
Level 2, Skill #3 - Two-foot jump from forward to backward with T-stop

- **Equipment:** Stopwatch
- **Description: In rink with skates on**
  - Athletes takes 4 opening steps
  - The athlete performs a two-foot $\frac{1}{2}$ turn jump ends facing backwards.
  - Then a two-foot $\frac{1}{2}$ turn jump and ends up facing forward.
  - Pushing off with one foot performs a T-stop.
- **Description: Without skates/No rink**
  - Standing with 2 feet together
  - The athlete performs a two-foot $\frac{1}{2}$ turn jump ends facing backwards.
  - Then a two-foot $\frac{1}{2}$ turn jump and ends up facing forward.
  - Pushing off with one foot performs a T-stop.
- **Score:**
  - Time starts when the athlete begins the 4 opening steps.
  - The athletes will get three attempts.
  - The time is recorded for the athlete result. (Time recorded as MM:SS.00)
  - The final score will be the athlete’s shortest time of the three attempts.

SOPA purchased Personal Protective Equipment (PPE) in bulk and has made it available for Fall training sites:

**Infrared No Touch Thermometer**
- This will provide a quick and accurate temperature measurement from a distance.
- Takes accurate reading within seconds when held about 2 inches from the forehead. Forehead area must be clear of hair.
- Use to take temperature of all participants at training site upon arrival and record their temperatures.
- Do not use thermometers that are inserted in the ear or mouth, only use no touch.
- FDA/CE Approved

**Disposable 3 Ply Face Masks**
- Will be provided a limited number of face masks (we’ll expect participants have their own, but will have a limited quantity on hand in case someone forgets theirs, a strap breaks during training, etc.).
- Participants are required to wear face masks when they are not engaged in a sporting activity, unless doing so jeopardizes their health.
- Masks should cover the face from the bridge of the nose to under the chin. It should be loose fitting but still secure enough to stay in place.
- FDA/CE Approved

**Hand Sanitizer**
- Participants should use this product when arriving at training site, when sneezing/coughing, any time they change activity and before departing the training site.
- CDC Approved

**Spray Disinfectant**
- COVID-19 Coordinator to use at the end of practice to disinfect all equipment or in the case that equipment needs to be shared it should be cleaned in between uses.
- Simply spray on and allow to air dry for 5 MINUTES to remove all germs and risk of contamination.
- Does not require wipe off allow to air dry.
- FDA/CE Approved
FOLLOW LOCAL GOVERNMENT GUIDANCE
Follow your local government’s activity guidance. Understand that just because other facilities may be open, it does not mean it is safe for you to have a training session.

EDUCATE YOUR ATHLETES AND VOLUNTEERS
Educate your athletes, unified partners, coaches and volunteers on the signs and symptoms of COVID-19. Set up a communication mechanism should one of your group become ill.

MAINTAIN PHYSICAL DISTANCING
Ensure physical distancing is possible at your practice facility. Mark sections of the field so athletes and volunteers understand and pay attention to distances between each other and between other groups that may be using the practice field.

MAKE HAND WASHING FACILITIES AVAILABLE
Ensure the training facility has adequate hand washing facilities. If not, make sure hand sanitizer is available.

PARTICIPANTS SHOULD WEAR PERSONAL PROTECTIVE EQUIPMENT (PPE)
Athletes, coaches, volunteers and Unified partners should wear PPE if they are able and practice accommodations are made to allow them to do so.

SET ASIDE SPACE TO SCREEN PARTICIPANTS
You must set aside space away from the practice area to collect answers to the symptom survey and take the temperature of all participants. Consider having volunteers dedicated specifically to screening athletes.

FOR ADDITIONAL INFORMATION AND RESOURCES VISIT
WWW.SPECIALOLYMPICSPA.ORG
KEEP IT CLEAN
Frequently clean commonly touched objects with an antibacterial cleaner. Ensure the facility you are using has a consistent cleaning schedule, including for restrooms and hand washing areas.

ENTRANCE AND EXITS FROM FACILITY
Participants should be able to get in and out of the facility and still maintain physical distancing. This should include the parking lot. Families may need some guidance on where to park to maintain adequate distance.

TRAINING FACILITY SPACE
Remember you need enough space within your group to safely maintain the 6 foot physical distancing recommendation between people and you should maintain a reasonable distance between your training group and any other groups who may be using the facility.

EMERGENCY ACTION PLANNING
Each coach should have an Emergency Action Plan that covers what tasks need to be done and by whom in case of a medical emergency, inclement weather, or if a training participant arrives with or contracts COVID-19 during the training season.

PARTICIPANTS BRING THEIR OWN EQUIPMENT
All participants should bring to training sessions their own sports equipment, water bottles, towels and any other personal items. Have sanitizing supplies, if there is a situation where shared equipment might be used and sanitize in between uses.

FOR ADDITIONAL INFORMATION AND RESOURCES VISIT WWW.SPECIALOLYMPICSPA.ORG
BE AWARE
If you need to sneeze or cough, use the inside of your elbow or a tissue instead of your hands. Try not to touch your face. If you do, wash your hands or use hand sanitizer before and after!

PRACTICE PHYSICAL DISTANCING
We love hugs and high fives as much as you do, but at this time, it is important to stay 6 feet apart. Special Olympics events will look a little different for a while to help everyone stay safe.

WASH YOUR HANDS
Wash your hands for 20 seconds with soap and water. You can also use hand sanitizer with an alcohol content of 60% or more.

KEEP IT CLEAN
Frequently clean and sanitize commonly touched objects with an antibacterial cleaner.

FACE MASKS
Wear a face mask outside of your home, especially if you have a cough, runny nose, or are sneezing. At Special Olympics practice and events, you will be expected to wear a face mask, except during active physical activity.

STAY HOME
If you feel sick, or are showing symptoms, stay home and call your healthcare provider for evaluation.

For additional information and resources, visit www.specialolympicspa.org
IF YOU FEEL SICK, OR ARE SHOWING SYMPTOMS, STAY HOME AND CALL YOUR HEALTHCARE PROVIDER FOR EVALUATION

FOR ADDITIONAL INFORMATION AND RESOURCES VISIT WWW.SPECIALOLYMPICSPA.ORG
The purpose of this Honor Code is to communicate the meaning and importance of athletic integrity to all members of the Special Olympics Pennsylvania (SOPA) community and to articulate and support the interest of the athletes and coaches in maintaining the highest standards of conduct in virtual competition.

SOPA embodies a spirit of mutual trust and honesty. As a coach I promise to:

- Give athletes one attempt to record their competition score as is done in-person. Providing multiple attempts to try and submit a higher score is illegal and violates the integrity of virtual competition.

- Follow and enforce the competition rules for each sport which includes calling any illegal attempt or violation.

- Have my athletes use the same course, field, court, and equipment for divisioning, as well as all virtual competitions.

- Submit the exact time, distance, score, or other performance measurement for each athlete for divisioning and all competitions.

- Follow all virtual competition guidelines and standards provided by Special Olympics Pennsylvania.

- Meet all deadlines for submission of scores.

- Ensure the athletes I coach have the proper equipment and practice facilities which provide them with the best opportunities to succeed.

This Honor Code summarizes the expected standards of conduct in virtual athletic competitions. The Honor Code is an addendum to the existing SOPA Code of Conduct to ensure equality in competition during any time in person competitions cannot be offered.

The Honor Board is the organizational body charged with enforcement of the Honor Code. The Honor Board will consist of state level Competition Staff and select members of Local Programs, and will not tolerate any violation of the Honor Code.
I understand I could get Coronavirus through sports, training, competition and/or any group activity at Special Olympics. I am choosing to participate in sports, competition and/or other Special Olympics activities at my own risk.

During the time these precautions are needed, I agree to the following to help keep me and my fellow participants safe:

More is learned about COVID-19 every day. The latest information is available on the CDC’s webpage for “People Who Are at Increased Risk for Severe Illness.” As of July 17, 2020, the CDC notes that people of any age with the following conditions are at increased risk of severe illness from COVID-19: Chronic kidney disease, COPD (chronic obstructive pulmonary disease), Immunocompromised state (weakened immune system) from solid organ transplant, Obesity (body mass index [BMI] of 30 or higher), Serious heart conditions, such as heart failure, coronary artery disease, or cardiomyopathies, Sickle cell disease, Type 2 diabetes mellitus.

I am a high risk participant as I have one or more of the conditions mentioned above.

☐ Yes
☐ No

☐ I know that if I have a high-risk condition, I have more risk that I could get sick or die from COVID-19. If I have a high-risk condition, I cannot go to Special Olympics events in person, until there is little or no Coronavirus in my community.

☐ If I have COVID-19 symptoms, I will stay at home and NOT go to any activities until 7 days after all of my symptoms are over. If I am exposed to COVID-19 and have no symptoms, I can return 14 days after exposure.

☐ I know that before or when I get to a Special Olympics activity, they will ask me some questions about symptoms and exposure to COVID-19. They may also take my temperature. I will answer truthfully and participate fully.

☐ I will keep at least 6 ft/2m from all participants at all times.

☐ I will wear a mask at all times while at Special Olympics activities. I may not have to wear it during active exercise.

☐ I will wash my hands for 20 seconds or use hand sanitizer before any activities. I will wash my hands any time I sneeze, cough, go to the bathroom or get my hands dirty.

☐ I will avoid touching my face. I will cover my mouth when I cough or sneeze and immediately wash my hands after.

☐ I will not share drinking bottles or towels with other people.
COVID-19 Participant Code of Conduct and Risk Assessment Form

- I will only share equipment when instructed to. If equipment must be shared, I will only touch the equipment if it is disinfected first.
- I will report to the site COVID-19 Coordinator if I traveled or plan to travel to a state other than Pennsylvania, country or county outside of my residency within PA.
- If I get or have had COVID, I will not go to any in-person Special Olympics events until 7 days after my symptoms end. I will go to my doctor and get written clearance before returning to any sport or fitness activities.
- I understand that if I do not follow all of these rules, I may not be allowed to participate in Special Olympics activities during this time.

I HAVE READ THIS AGREEMENT/HAVE HAD IT READ TO ME AND AGREE TO FOLLOW THESE ACTIONS

PARTICIPANT FULL NAME: _____________________________________________________

Phone: __________________________ Email: _________________________________

Circle one: Athlete  Staff  Unified Partner  Coach/Volunteer Family/Caregiver

PARTICIPANT SIGNATURE (required for adult (age 18+) participants, including adult athlete with capacity to sign)

By signing this, I acknowledge that I have completely read and understand the information in this form.

Signature: __________________________ Date: __________

PARENT/GUARDIAN SIGNATURE (required for participant who is a minor (younger than 18) or lacks capacity to sign)

I am a parent or guardian of the athlete/participant named above. I have read and understand this form and have explained the contents to the participant as appropriate. By signing, I agree to this form on my own behalf and on behalf of the participant.

Parent/Guardian Signature: __________________________ Date: __________

Printed Name: __________________________

Relationship: __________________________
