BECOME A SPECIAL OLYMPICS VOLUNTEER

All are welcomed to get involved and volunteer!

We need you to join us as a volunteer and make a difference in the lives of our Special Olympics Pennsylvania athletes as they compete in athletics, basketball, equestrian, golf, gymnastics, softball, swimming and tennis at the 2022 Summer Games! This three day event hosts nearly 2,000 athletes and 750 coaches.

Special Olympics is about transforming lives, including your own. It's about a spirit of giving and teamwork. It's about making your community and neighborhood a more welcoming and accepting place for people of all abilities. It's also about creating lifelong friendships.

Depending on the Community Transmission Rate, COVID testing will be required for those who are unvaccinated.

To register as a volunteer, complete the steps below:

Step 1: Complete the Volunteer Application.
Step 2: Select a Volunteer Job.

To review what you have signed up for, you can select "My Information" and view "My Calendar" in the Online Portal.

More details will be sent to all registered volunteers closer to the event.
