| Announce Teams. Have them sit together and introduce themselves to one another.        |
|--|
|  |
| Captain – This is one or two members of the team who call the coin flip and oversee    |
| the team for that match.   |
| Frame – Time that it takes both teams to roll all 8 bocce balls.                       |
| Measure – When the official, using a measuring tape, checks to see which color ball is |
| closest to the pallina. Remember only the captain may make that call.                  |
| Win a Game – 16 points or 20 minutes whichever comes first. Per frame your team        |
|  |

| Knee Grabs   | Take a step and raise your left knee towards your chest. Grab your leg with both       |
|              | hands just below the knee. Pull your knee as close to the chest as you can             |
|              | Hold the knee for 1 second. Release the knee. Take a step and raise the right knee.    |
|              | Repeat steps and complete this stretch for one minute.                                 |
| Butt Kicks   | Face forward, feet shoulder width apart; Kick yourself in the butt with your heels of  |
|              | your feet. Complete this stretch for 1 minute – either standing still or moving.       |
| Scissor Arms | Stand with your feet shoulder width apart. Hold your arms straight out to the sides    |
|              | (parallel to the ground) Swing your arms in front of body in a wider crisscrossing or  |
|              | scissoring motion. With every swing alternate the top arm. Complete this exercise      |
|              | for 1 minute.  |
| Lunges       | Begin standing shoulder width apart and your hand at your hips. Step forward with      |
|              | your left leg, flexing the knee to drop your hips. Descent until your rear knee nearly |
|              | touches the ground. Your posture should stay upright and your front knee should        |
|              | stay above your front foot. Extend both knees and rise back up and bring both feet     |
|              | back to the starting position. Step forward with your right foot. Repeat the steps     |
|              | Complete 1 set of 10 on each leg.  |
