Coach Recognition Levels

The journey begins with the basics in the Certified Coach Level. In this level coaches complete three basic trainings, Protective Behaviors, General Orientation, and Concussion Training followed by completing the skills training of their chosen sport.

BRONZE

The *Bronze Level* provides the next level of training. This includes the course **Coaching Special Olympics Athletes** and implementing Fit 5 during athlete training sessions.

SILVER

The *Silver Level* will build upon the Bronze level and include the **Principals of Coaching and Coaching Unified Sports®** courses as well as athlete goal setting and year round training.

GOLD

The *Gold Level* will build upon the Silver level and the coach will **learn advanced tactics** for their sport of choice and work with their athletes on tracking and achieving their personal best performance goals .

Strategic Plan – CTPP & Goals

- Develop and implement a statewide Coaches Education Training Plan to ensure consistent, high-quality training is delivered for all SOPA coaches (both certified and assistant coaches).
- Coaches will work with athletes to develop individualized annual sports improvement goals skills, fitness and/or performance.
- Efforts begin immediately with target that all SOPA athletes are setting annual goals by 2020.

Strategic Plan - Certified Coaches

- By the end of 2020, all teams will have at least one (1) certified coach (team sports) and there will be at least one (1) certified coach per 25 athletes for skills and individual sports.
- To accomplish this outcome, we will need to:
 - Recruit at least 500 new coaches.
 - Increase certifications. Goal is at least half of our coaches will be certified.

Strategic Plan - Sport Directors & Sport Management Teams

- Every sport will have an active Sport Director leading its Sport Management Team (SMT) by the end of 2017.
- The SMT will develop/refine a “Coaches Training Progression Plan” and build clinician teams to lead training schools.
