Is the scorecard available on the website? Can it be shared? The scorecard is an internal SOPA staff document that is constantly changing to help department measure where they are in the current plan. The overall plan can be located at <https://specialolympicspa.org/images/Monthly Update/Strategic Plan Email Version.pdf>

With the new Strategic Plan, with some of the old goals not being met, is there a plan in place to help ensure that the goal gets met/done with this new plan? Any goals that were not met in the current plan have been evaluated and if deemed relevant placed, in possibly a new format in the new plan.

How do I get schools involved with Unified Sports? Please contact Michelle Boone, mboone@specialolympicspa.org with your interest.

How can Special Olympics educate the UCS schools about sports they do not offer? Our UCS team has been working to educate the schools on offerings within the local community program. Ideally our local program leaders will be a part of this process and help to transition athletes, partners and volunteers from school into the community program.

How do you sign up for the torch run? For more information on the torch run please go to our website - <https://specialolympicspa.org/torch-run-resources>
