

Jonathan Martin

Golf

Jonathan Martin has been an all-around sports fan from a very young age and has won multiple gold medals in golf at the Pennsylvania Summer Games. He's also attended three National Invitational golf competitions in California, Florida and Iowa.

Born with cerebral palsy, Jon is thankful for the opportunity to experience competition and the joy it brings.

When he's not golfing or playing other sports through Special Olympics (bowling, basketball, softball), he enjoys watching NASCAR and golfers on the PGA Tour.

IN HIS WORDS

“ It's difficult for Jon to put into words, but his parent know that this has given his life more meaning and purpose with a goal to achieve. ”
