

Timothy McConnell

Basketball

Timothy McConnell has been involved with Special Olympics since he was in middle school, 23 years ago. A basketball star who loves to make people laugh, he also competes in speed skating and long distance running.

Timothy won a gold medal and two bronze medals in speed skating at the 2009 World Winter Games. On that trip, he had the opportunity to speak with former Vice President Joe Biden. He followed that performance up with two gold medals at the 2017 World Winter Games.

He works at Giant Supermarket and enjoys relaxing and fishing in his spare time.
