

PILOT PROGRAM TRAINING: Google Registration

Registration Process Overview:

The Pilot Program will utilize Google Sheets

- Google sheets is like excel, but it is a "live" document where changes are updated instantly
- All event registration forms will be in **one** document:
 - Volunteer Registration, Athlete Registration and all Sport forms
 - Housing forms will also be included for appropriate overnight events
 - Tabs for each "form"
- Timeline: Western Central/Eastern
 - Submit their LOI using the current LoI date for your event (March 28/April 4)
 - Final Allocations will be sent the following day (March 29/April 5)
 - Pilot Programs will submit their **online Vsys roster** the MONDAY <u>after</u> they receive FINAL ALLOCATIONS. (April 1/April 8) IMPORTANT: Vsys roster is what will populate your county registration document.
 - SOPA will send Google Registration Link the following day (April 2/April 9)
 - o Google Registration will be due the Thursday after it would originally be due (April 11/April 18)
 - SOPA will send out Feedback Form (April 12/April 19)
 - Scratch & Activation Deadline: (April 22/April 29) by 5 PM

Benefits to Using this Process:

Links directly to Vsys:

- Accurate names/records
- Help identify gaps with coach or athlete requirements earlier (out of date trainings/medicals)

• Ease of completion & submission of paperwork

- Paperwork is all in ONE document
- Information is linked from one page to another
- One link can be sent to all coaches
- Multiple people can work in the document at the same time if people have questions they can work on it together
- Updates/changes can be made in REAL time

Reduces possibility of error:

- Consistent formatting
- Events are pre-populated....drop down menus
- Athlete and Coach contact into pulled directly from Vsys
- Summary pages to review accuracy

Registration through Google Sheets

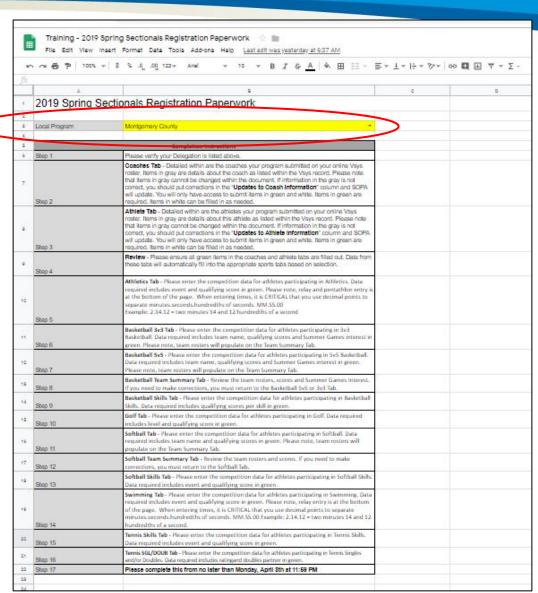

CHECK IT OUT!

Instructions Page

- The Instruction Page will walk through how to complete each tab on the google sheet.
- Make sure your program name is in YELLOW at the top.

Pilot Feedback

We are excited about this process, and it is our hope that it will make the registration process easier for your program. We do want to gather your feedback and will be sending out a survey to collect any ideas or suggestions that you have as a result of participating in this pilot.

We will send out a Feedback form to all participating programs on Friday, April 12th or 19th depending on your location.
