What is a Color Group? - This is the group that you have been assigned to for afternoon rotations through all the other sports.
**What are Meal Waiters?** - Each cabin assigns a camper to report to the dining hall 15 minutes before the meal to set the table. A veteran camper is needed for the first few meals. This job may be rotated between athletes. SOYO Coaches will be assigned job responsibilities at meals throughout the week. See posted schedule.

**What happens if I have an athlete/coach with special food needs** - If it was listed on the application, we are prepared for it. Special meal options will be available in the dining room. Coaches will be given a list of special food needs in their cabin. This includes athletes listed as over eaters!

**How will I know which athletes take medication?** - Coaches will be provided with a list of those athletes requiring Rx and times for administration. There will be full time Medical Staff on duty the entire week of camp.
- All medications will be properly dispensed by Medical Staff, not coaches.
- All bee stings, sports injuries, and medical emergencies should be reported to the Health Center.

**What if an athlete or coach has an emergency in the middle of the night?** - One coach should stay with athletes while the other coach gets assistance from a neighboring cabin. The Medical Staff is housed in the Health Center around the clock and emergency cell phone numbers are listed on the back of coach credentials. You should also be aware of Head Clinicians housed in your unit who will have a 2-way radio to connect to the Health Center or SOPA Liaison/Camp Director. Golf carts are available to transport athletes or coaches in emergency situations only.

**What can we expect on Competition Day?** - Competition will be held in 9 sports. Head clinicians will decide how games will run. Some sports may have Unified Sports® Competition.

**Are cabin assignments permanent?** - YES, YES, YES! For the general safety and well being of all athletes and coaches (and liability reasons) we need to know where all individuals are housed! Think twice before asking for a change in housing.

**What if there is a maintenance problem in my cabin?** - Extra toilet paper and light bulbs are located in the Camp Office. Mops, buckets, cleansers, and plungers are located in every Unit. Report any repairs or plumbing problems to the main office.

**What is Break Time for SOPA and SOYA**
- Time set aside for SOPA and SOYO coaches to relax, hold meetings, run errands, and socialize.
- Both SOPA and SOYO coaches must accompany athletes back to their cabins after evening program.
- At the scheduled break time each day, cabin coaches decide which break they will take. If there is only one coach in a cabin, a committee person will cover the cabin. Never leave athletes unattended in the cabin!

**SMOKING IS NO LONGER ALLOWED ANYTIME, ANYWHERE ON THE ANTIOCHIAN VILLAGE PROPERTY. THIS INCLUDES THE CAMP AND CONFERENCE CENTER.**

- All SOPA and SOYO coaches must be in their cabins at the end of the 2 hour break time.

**What if the weather is extremely hot or cold?** - The Committee has tentative rain plans and heat plans if the weather is uncooperative. Bear in mind that these plans often require changes in facilities, bus transportation, and expenses. Please be flexible and patient as we look into our crystal ball to predict the weather and decide what is best for the entire camp.
