These events provide meaningful competition for athletes to help develop their soccer skills. There are two different levels athletes can participate in based on their ability (Standard & Advanced). There are three events that are part of each contest and they work on the following skills: Passing, Dribbling and Shooting. The athlete’s final score is determined by adding together the scores achieved in each of these three events. Athletes will be divisioned according to their total scores from these three events.

**Standard Skills Competition:** *15-Meter Dribble, Run & Pass, 6-Meter Shot*
Rules are included on the [SOI Sport Rules](#). This event is offered for athletes 8 years of age or older who have not scored 130 points or higher in this event. **Those with a score of 130 points or higher must compete in the Advanced Skills Competition.**

**Advanced Skills Competition:** *12-Meter Slalom Dribble, Control and Pass, Gather-Dribble-Shot*
This event is offered for athletes and Unified Partners 8 years of age or older who have scored 130 points or more in the Standard Skills Competition. This is an advanced skills event and only athletes who are capable should be entered into this event.

**Standard Skills** are the same three events that we have competed in in the past. Rules are included on the [SOI Sport Rules](#). This year for EFS and Fall Fest we are adding an **Advanced Skills** Competition for athletes that have scored 130 points of more in the Standard Skills Competition. The rules for Advanced Skills are found below.
