SECTION E — JUDGING/ SCORING 5. Judging Compulsory Artistic Routines 2) The deduction for deliberate omission of an element will be double the value of the element. This also applies to an athlete who has to be carried through an element with a full spot from the coach.	While the Sport Rules are not changing , we are changing the Score sheets to reflect this rule appropriately so that there is <u>one deduction only</u> (value of the element plus a penalty or double the value of the element, as is written in the general rules) <u>for all similar cases</u> .
