# Coaching Principles that EQUAL a great practice

## 1. Know your players

- How do you want to see each individual develop throughout the season?
- Observation IS coaching

## 2. Focus on the BASICS

- Individual CORE skills – repetition is SO important
- Individual Game/Competition Understanding

## 3. MOVE IT, MOVE IT

# Prepare: Build a Training Plan

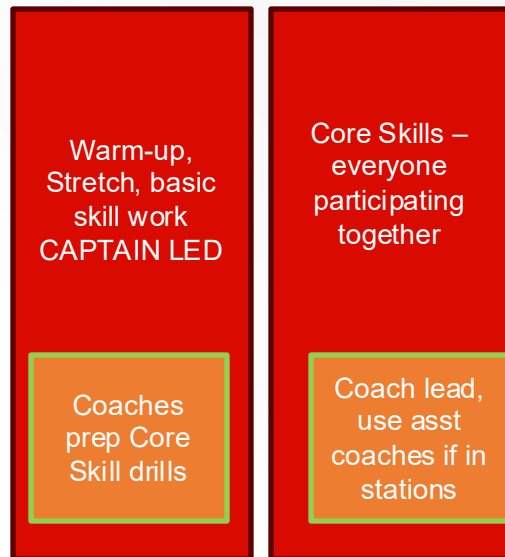

- Writing a Practice/Training Plan
  - Pull from pre-existing resources (SOI Coaching Guide, SOPA Sports Offered page, National Governing Body/Sport- specific websites, internet)
- Prepare prior to practice
  - share with Assistant Coaches and assign who will run each aspect of practice. i.e.: taking attendance, running warm-ups, managing drill stations, etc.
- **Volunteers want to be useful** – it will help lighten your load and improve the experience at practice!

*SOI Coaching Guide - great resource for developing a training plan, goal setting with athletes, warm-up drills, etc.*

# Certified Coach Requirement

- Certified Coaches are required for all sports.
- We encourage all coaches to become certified
- Certified Coaches are required for attendance at State level events.

# How to get Certified

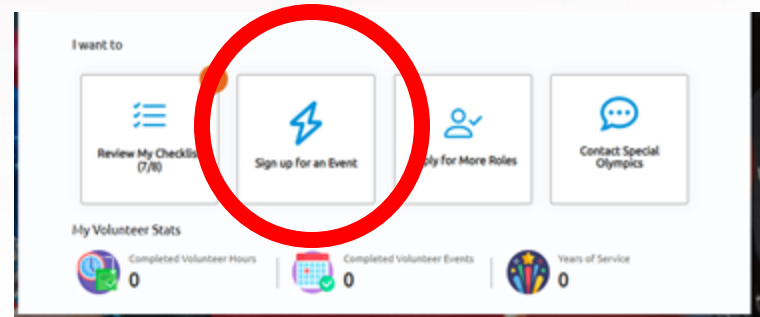

- **OPTION #1:** SOPA runs **Coach Training Schools** – these provide the rules of the sport and basic knowledge like development of training plans, to help you get started
  - Training school for **Athletics & Tennis are offered virtually.** Visit the portal to see what is available or contact your RSD for more information.
- **OPTION #2:** Volunteers with a lot of sport-specific experience (coaching outside of SOPA, playing at a high level, officiating, etc.) can apply for [Track 2 – Experienced Coach](#)

# Register for Coach Training Schools

- From Portal home screen - Sign up for event – Training School Registration
- In-person Training School must be scheduled. There are 2 currently available in the portal.
- Registration REQUIRED
  - closes 2 days prior
